GIRL SCOUTS USA
COMMEMORATIVE COIN ACT

SPEECH OF

HON. PHIL GINGREY

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 13, 2009

Mr. GINGREY of Georgia. Madam Speaker, I rise today to express my support for H.R. 621, the Girl Scouts USA Centennial Commemorative Coin Act. The Girl Scouts of the USA is an outstanding organization dedicated to nurturing young women in the leadership skills they will undoubtedly utilize in their futures.

Founded in 1912 in Savannah, GA by Juliette Gordon, Girl Scouts of the USA has unanimously carried out its mission to "build girls of courage, confidence, and character, who make the world a better place." In fact, this organization has grown very large over its 97 year history to include 3.7 million Girl Scouts, 2.7 million girl members, and 928,000 adult members who serve as volunteers. Further, Girl Scouts has become a global organization including 236,000 troops and groups in over 90 countries.

Girl Scouts are known nationwide for their delicious cookies; however, this organization does much more than baking for the lives of young women. While various activities and youth groups teach basic skills and promote teamwork, Girl Scouting goes beyond that and encourages youth to achieve a deeper appre-

ciation for service to others in their communities. Finally, and perhaps most importantly, Girl Scouting promotes activities that lead to personal responsibility and high self-esteem. As a result, when hard decisions must be made, peer pressure can be resisted and the right choices can be made.

Madam Speaker, from the beginning of the Girl Scout program as a Daisy to the eventual completion of the program and attainment of the rank of Ambassador, Girl Scouts of the USA has long trained young women in the necessary skills that will enable them to be the future leaders of the United States. The young women in this organization complete "journeys" that enlighten them on social issues, promote community service, and instill in them the necessary confidence and courage to have a bright and successful future. I applaud the efforts and the accomplishments of all of our nation's Girl Scouts, and specifically those of the 11th District of Georgia, which is my privilege to represent in Congress. I urge all of my colleagues to continue to support this honorable organization and the excellent young women that it continues to produce.

Mr. BRADY of Pennsylvania. Madam Speaker, on the occasion of his retirement on May 15, 2009, we rise to thank Mr. Peyton "Jeff" Jackson for his 31 years of distinguished service to the United States House of Representatives. Jeff has served this great institution as a valued employee of House Information Resources (HIR), within the Office of the Chief Administrative Officer (CAO).

Jeff began his tenure with the United States House of Representatives in 1978 as Lead Computer Operator in the HIR Communications Services group. Jeff assisted in diagnosing and resolving operational problems with the various online systems supported by the Computer Center. He also monitored and maintained all House data communication networks including the Amdahl 4705 and 4745 front-end processors. Jeff tracked and logged trouble calls from both the Washington and district offices and dispatched network installation technicians for problem calls. Jeff's expertise contributed to the installation and maintenance of the IBM 3270 inventory and storage facilities for the Communications Services group. Jeff continued to provide network operational support to the ever expanding networking and unified communications infrastructure environment.

Jeff has played an integral role in the re-vamping of the Network Control Center (NCC) following the events that occurred on September 11, 2001. The NCC was later expanded to encompass the Emergency Communications Center (ECC) which serves as a transmission point for emergency action messages to the House community.

On behalf of the entire House community, we extend congratulations to Jeff for his many

years of dedication and outstanding contributions to the United States House of Representatives.
